Dear Payroll/HR Manager,

Enterprise Super employee contributions – change of fund

As an employer who currently pays employee Superannuation Guarantee (SG) contributions to Enterprise Super, we are writing to inform you that from **1 July 2017**, Enterprise Super will change to the Enterprise Plan, a sub-fund of The Executive Superannuation Fund (ABN 60 998 717 367).

What this means for you

There is nothing you need to do as a result of this transfer. There is no need to change how you pay contributions for your employees. All SuperStream details, bank accounts and Unique Superannuation Identifiers (USI's) you use to pay contributions on behalf of your employees, remain the same.

What are the changes

The only changes are to the name of the fund from Enterprise Super to the 'Enterprise Plan' and to the ABN 60 998 717 367, however these changes will not impact how you pay employee SG contributions.

Further information

If you have any questions about the new details or the temporary freeze on transactions, please call Member Services on 1800 816 575.

Yours sincerely,

Scott Hardie
Head of OneVue Super Services
